

### **About Texas State Representative Dennis Paul**

Dennis Paul is currently serving his second term in the Texas Legislature. He is a lifelong area resident and small business owner. Dennis and his wife of 30 years, Eliza, are the proud parents of Elizabeth who is a college senior.

Dennis first won election to the Texas House of Representatives in 2014 after first winning a heavily contested 7 person primary and then the 2014 general election with 68% of the vote. Dennis was unopposed in the 2016 election cycle.

Dennis received a Bachelors and Master of Science in Engineering from the University of Houston and established his own small business in 2002. As an engineer, Dennis volunteers in disaster areas insuring the stability of structures, and prior to his election he helped pass a Good Samaritan law in Texas to protect volunteer engineers from frivolous lawsuits. From 2004 – 2014, Dennis served on the Structural Engineers Association of Texas State Board of Directors and chaired its Legislative Affairs Committee.
