OFFICIAL NEWSLETTER TRI-COUNTY REPUBLICAN WOMEN

Brazoria, Galveston, Harris Counties

NOVEMBER 2020

Howdy Tri County Members,

Well it is finally here...Election Day is TOMORROW!! If you have not VOTED, then I trust you will be getting out bright and early to cast your ballot for Republicans all the way down the line! #DontStopAtTheTop

As you are well aware, there is no straight ticket voting in Texas so you will have the pleasure of choosing each candidate and hopefully saying a little prayer for them as you go down the line. Rep. Randy Weber said it best last night, "Cast your vote for the White House to the MUD House".

If you can be out at the polls tomorrow holding signs and encouraging people to vote, I know the candidates would really appreciate the support. If you haven't already, be sure and reach out to family, friends and neighbors to make sure they vote. In Harris County, if every registered Republican votes we will win every single race! Praying this election has opened enough minds and hearts to vote our values and to not sit this election out for any reason.

Our next meeting is November 10th, the day before Veteran's Day. If you or a family member are a veteran, or you know a veteran, please invite them to join us. I have allotted (20) free lunches for Veterans attending this meeting. You will need to send their name and military branch to me in order for us to put them on the list. We want to "Thank" them personally for their service and remind them how much they mean to us.

We will also be voting on our Executive Board at this meeting. Once the Executive Board is approved, we will need to fill the committees in order to help support the work of our club. Every member doing their part is what makes us successful. There is no role too small, and if you have a talent or willingness to be involved...you are wanted, needed and appreciated! A list of the committees is on the front page of the newsletter and there will be new opportunities added in 2021.

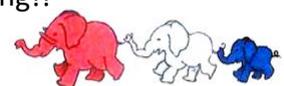

Lastly, if you were unable to attend either of the two informational online meetings, I will be calling you to provide updates, get your feedback and discuss moving forward. We are voting on this at the November meeting and proxies will be provided to anyone who is unable to attend. There will not be a discussion on the Strategic Plan at the November meeting as we have speakers and special guests, however, it is important for each member who wants to hear the plan to share their voice and to be engaged as we work toward fulfilling our mission.

Thank you for a fantastic year and I am trusting we will finish strong!!

Much love,

Gaylyn

President Donald J. Trump Achievements

FULFILLING OUR COMMITMENT TO OUR COUNTRY'S VETERANS:

President Trump signed the Veterans Accountability and Whistleblower Protection Act to allow senior officials in the Department of Veterans Affairs (V.A.) to fire failing employees and establish safeguards to protect whistleblowers.

- Through 2018, more than 4,300 Veterans Affairs employees were removed, demoted, or suspended as a result of the Veterans Accountability and Whistleblower Protection Act

In August 2017, after passing Congress unanimously, President Trump signed the Veterans Appeals Improvement and Modernization Act.

- This streamlined the lengthy process that veterans undergo when appealing disability benefits claims with the Veterans Affairs.

In August 2017, the President signed the Harry W. Colmery Veterans Educational Assistance Act, an important step in providing our nation's heroes the support they have earned.

- This funded the post-9/11 GI Bill, which provided educational benefits to veterans, service members, and their family members, including tuition, fees, books, housing, and additional costs.

-

The President signed the V.A. Choice and Quality Employment Act of 2017 to authorize \$2.1 billion in additional funds for the Veterans Choice Program (VCP).

- President Trump signed a bill to allow the V.A. to fire incompetent employees.
- President Trump signed legislation to fully fund the popular V.A. Choice Program.

In August 2017, The President signed the V.A. Choice and Quality Employment Act of 2017 which authorized \$2.1 billion in additional funds for the Veterans Choice Program (VCP).

In November 2017, the Trump Administration created a new White House V.A. Hotline, staffed by veterans and family members, who will provide our nation's Veterans with a direct, dedicated contact line to answer their needs and concerns.

- Since May 2019, the White House VA Hotline has surpassed 250,00 calls.

In April 2017, the VA launched its online “Access and Quality Tool” which provides veterans with data to help them make informed decisions about their health care.

In June 2018, President Trump signed The VA MISSION Act, which works to integrate the VA healthcare system and modernize it for the 21st century while providing Veterans with more choices in their healthcare options, whether from VA doctors or the community.

In 2018, the VA announced three initiatives to expand access to healthcare for veterans using telehealth technology:

- “Anywhere to Anywhere Veterans Affairs Health Care” allows Veterans Affairs providers to use telehealth technology to serve veterans no matter where the provider or veteran is located.
- V.A. Video Connect allows veterans and providers to connect by video across the country.
