

April Speaker  
**Loren Spivack**

Loren Spivack, the Free Market Warrior. Loren's most recent book called "To Think I Saw It On CNN Live" has been called "A Scathing, behind the scenes satire that exposes the media's culpability in bringing President Trump down." His presentation on the same subject, called "How we got here". His speech shows just how closely the Democrat Party worked with the media to attack President Trump, and all things Conservative over the last 5 years. (Yes it began as early as the famous escalator ride!)

Loren's combination of sharp wit, information, and unique perspective, have made him a bestselling author, and a regular on all levels of the Conservative speaking circuit. Over the course of the last 10 years, Loren has spoken at 7 statewide conventions, dozens of Lincoln Day Dinners, and at the monthly meetings of hundreds of Republican of Clubs.
