

MARCH Speaker
KONNI BURTON

Konni Burton is Founder and CEO of The Texan, a statewide news outlet focused on the stories that matter most to Texans and their pocketbook. Previously, she was a grassroots activist who worked on numerous campaigns for local, state and federal races. Konni then went on to run for office and was elected in 2014 to serve Tarrant County's Senate District 10 in Austin. Her experience as a grassroots activist, elected official, and taxpaying citizen provides a unique and valuable perspective on the political landscape in Texas.

Konni will discuss what we are doing at The Texan and why quality, ad-free content without liberal bias and that isn't hostile to the worldview of Texans is desperately needed in this state. Her presentation will discuss the issue with media today, why she founded The Texan, and why media without a narrative is important. She'll also share stories we've covered that liberal news outlets haven't.
